Where’s the sun?! 

The calendar may have turned to spring in March, but it didn’t feel that way. We didn’t expect to have more snow days, but when we came back we put on our snow gear and made the best of it. We started a yoga class, (when we had school on Wednesday) and it will continue into April. Students have been practicing their best poses and learning about the ancient exercise.

We hope the weather starts to improve so we can get more outside time. We have ended some days on the playground since the clocks changed, but the cold weather has kept us inside for the most part. If weather permits we may start going to Warren Park on Fridays again.

We are offering full day vacation programs from the 17th-20th. Information on field trips will be sent out in the coming weeks. Programs run from 8 a.m. to 6 p.m. at Bates Elementary School. Sign up forms can be found on our website. Please return with payment ASAP to ensure your child’s spot.
