PSA February will be here soon! WCCC is open during February VK Tuesday-Thursday 8-6PM. You can sign up now. The days are always lots of fun with field trips, art activities, gym games, and sledding!

It snowed! We get to go sledding!!! In order to do this children need their winter attire. Snow pants, boots, hats, gloves and coats, and if you can, pack extra socks in your child's backpack. If your child doesn't have their snow gear they can't play in the snow.

We have had some frigid temperatures recently as well. We do not go outside on days when it's unsafe for your children. Luckily we can take advantage of the gym run around and play gym games.

Karate has started on Wednesdays from 3-4PM it will run for 6 weeks

Have you met Rose Heart? Rose is a new teacher at WCCC and will be joining our Bates team on most days. Rose has worked in education and has lots of experience with children. Rose is excited to start some fun projects with your kids and getting to know all of you!

NCNC Policy
When your child is out from school after school needs to be notified also. Call or email us at Bates. $10 fine for NCNC

Extra clothes
We have extra clothes at Bates, its helpful if you pack an extra set if you feel it will help. Mark the bag Wccc and leave in your child's backpack.

Side door at Bates
The side door at Bates is where you enter the school. If we are not inside there will be a bright sign stating where
