January went by so quickly, I can’t believe February is already here! Although we did not have a whole lot of snow to play in, we certainly made the best of it while we did. The kids really enjoyed playing on the hill, making snow people and snow angels, we even played a great game of snow football! I’m still hopeful we will get the right amount of snow to do some sledding, so please continue to to send your child with full winter gear!

I also wanted to give a reminder that February vacation is coming up quickly, just a few weeks. If you are planning on having your child attend, please bring in your contract with a check asap. We have a limited number of spots, and they fill on a first come first serve basis. We will be celebrating the Winter Olympics throughout the days with our own versions of some events, as well as some great Olympics themed arts and crafts. I know some of the teachers are very excited for the Olympic torch to be lit, we are looking to pass that enthusiasm onto the children to celebrate the amazing athletes from countries all over the world.

We are very excited that Rachel will be starting a photography club on Wednesdays! The kids will be using cameras to take pictures of nature, their friends, the school, whatever they are interested in capturing in a still photo. They will also be making photo albums to store and organize their pictures in whatever creative fashion they want. Pictures are a wonderful form of art, we think it will be great for the kids to have tangible photos and an album, as opposed to digital photos on a screen.

As always, if you have any questions about the program, activities, or events coming up, please feel comfortable in talking to us at pick up time, or emailing anytime.

Matt, Eric, Stephanie, Rachel
