June? Are you kidding me? It is crazy to me that the school year is wrapping up, and summer is here. Most importantly, we want to thank all of you for being a part of our WCCC family. Getting to know your children and watch them grow is something special we get to be a part of. This time of year, we reflect on the long school year, and all the progress your children have made, it’s truly amazing. Please come celebrate with us on Wednesday, June 13 from 5:30-6:30 in our Hardy gym. We want to spend some time with as many of you as we can, and have some fun with the kids. The talent show portion should be pretty great! We will provide pizza and some laughs, all family members are welcome!

We are doubling down on that Wednesday, following the Hardy Party will be the Annual Parent vs Teacher Kickball Game. It will take place on Hardy field, the one behind the structure, not the actual baseball diamond because the fields are being used for baseball games. So, we can all walk to the field together and have some healthy competition. The parents won last year for the first time in many years…and it’s not happening again!

On a side note, as we are spending as much time outside as we can, please be sure to send your children with hats and sunblock if you want them to be protected from the sun. We do not help apply sunblock, but the children can apply it themselves before we go outside. We are happy to coach them through, we just can not physically help apply it. Hats are always an easy and fashionable idea as well!

Have an amazing summer!
