We hope everyone had a safe and fun Halloween! We would also like to thank everyone that made it to our Annual Haunted House at Fiske, it appeared that kids and parents alike enjoyed themselves. We saw some amazing costumes, and more importantly, lots of smiles! Although it is my goal to have a picture of a dog on each newsletter, I also wanted to hold onto this great late summer walk we took. We took a walk to Morse's pond a few Wednesday's back, and it was like a perfect summer day! Unfortunately the cold and dark are on their way, so let's take a moment to hang on to summer memories. (there is a tiny picture of a dog on the bottom...I had to)

As the days become darker earlier, we will unfortunately be spending a lot more time indoors. Thankfully, we have plenty of creativity on the team to keep things fun, exciting, and fresh. Our Kung Fu classes have been going great, the kids have been enjoying it, and learning a lot as well. Adrian, the instructor, is also big into obstacle course races, the Spartan Races in particular, and is planning on introducing these to the kids in the next few weeks.

We have plenty of great fall art activities planned for November as well. We will be making plenty of turkeys, dream catchers, 3-D pumpkins, and our very own “Thankful Tree” just to name a few! Once the clocks turn back, on November 5, you can plan on us being in the gym for pickup after our dismissal outdoor time, coming in around 3:45. Of course, if we are anywhere besides the gym, we will leave a sign up so you don't have to hunt for us.

Matt, Eric, Stephanie, and Rachel
