What's in store

January at Schofield was filled with sledding, karate class on Wednesdays, and lots of other fun activities. We had quite the mix of weather as we got bomb cycloned in early January. This gave us some great snow for sledding, building snowmen and other fun winter activities. We also got to enjoy some unseasonably warm weather that melted it all away. Please continue to send your child dressed for the ever changing weather. We love to play outside.

We are offering full day programs February 20th, 21st and 22nd during February break. These are contract days separate from normal enrollment. The cost is $85, we are open 8 a.m. to 6 p.m., and the program will be held at the Bates Elementary School. Get your forms in early to ensure your child’s spot. These days tend to fill up quickly. The form is due February 14. Enrollment is limited on a first come, first served basis. You can find the form on our website. Click the full day programs link on the drop down tab under After School. Return the form with payment and bring to Schofield at pick up.
