The Road Ahead

The weather has treated us very well this year and we have been fortunate to spend a lot of time outside, even walking to Warren Park most Fridays. Unfortunately this soon comes to an end as clocks go back on the 5th. Our final walk to Warren will this Friday, November 3rd, and after the clocks roll back we will be spending more time playing gym games and doing art activities indoors. If you are picking up after 3:45pm a teacher will be in the gym to sign out and tell you where you can find your child for pickup. Please remember to write the time when signing out your child.

Engineering Club
We have built weight bearing bridges and straw structures

Slime Club
Students have made different types of slime using math skills for recipes.

Dance
Many kids have been enjoying our weekly dance lessons.

BE PREPARED
As the cooler weather approaches please send your child with appropriate clothing as we will still play outside.

EARLY RELEASE 11/7
Tuesday, November 7th is an early release day. If you child is enrolled on Tuesdays they will be picked up by WCCC at dismissal.

11/22 @ FISKE
We will be taking the bus to Fiske the day before Thanksgiving. Use the door in the back parking lot for pickup.
