Welcome to February, Hardy Families! 2020 has gotten off to a great start at WCCC, we have been having so much fun even though we are stuck inside for the bulk of our days. We are keeping the kids active and getting them fresh air whenever we can! We have gotten very lucky with pretty mild weather so far, I’m hoping this doesn’t jinx it. We’ve been getting outside at dismissal each day, and have had some quality outdoor time on Wednesday as well, as we have more time with daylight.

February vacation is right around the corner, if you are looking to have your child come to our vacation program, sign up ASAP! Enrollment is a first come first serve basis, and we have a limited amount of spots, so the sooner you sign up, the more likely it is you will get a spot on your desired day. The deadline to enroll is Wednesday, February 12. We have some great activities planned out for the kids! On Tuesday we will be taking all the children to Rock Spot Climbing in Boston for some serious climbing action! On Wednesday the 2nd-5th grade children will be heading to Ward Ski Area in Shrewsbury, MA for some snow tubing, while the younger children will be staying at Hardy to bop around in a giant bounce house! On Thursday we will be taking a trip back in time to Roller Kingdom. Roller Kingdom has a large roller skating (or rollerblading) surface, fun music, a giant TV playing cartoons, and even a karaoke area where the kids may get a chance to sing. Just as a reminder, we are closed on Monday 2/17 for President’s Day, and Friday 2/21 for a staff training day.

Please mark your calendars for WCCC’S ANNUAL FUN RUN AND FAIR ON SATURDAY MARCH 21, 8:30-12:00!!! This event, that takes place at the Keohane Sports Center, is so much fun for the whole family. There will be non competitive races for the kids, face painting, many games, a silent auction, as well as raffles for great prizes. This is WCCC’s largest fundraiser, and we can’t do it without your participation. There will be more details in the coming weeks, but please mark your calendar and bring any family, friends, neighbors you’d like. This is not an event just for WCCC families, it is for the whole community and all are welcome!

As always, please call, email, or check in at pick up if you have any questions!
