

# MEET THE TEACHER

**Ms. Powers**

Hello! My name is Kayla Powers. I have spent the last three years teaching Pre-Kindergarten with WCCC. I have teaching experience in the toddler years through first grade, but very much enjoy Kindergarten. It is so much fun to explore the foundational skills of education while still honing our social and emotional skills. I am so excited for the opportunity to teach Kindergarten with WCCC and look forward to getting to know you and your family!
