

MEET THE TEACHER

Ms. Rogiers

Hello! My name is Sydney Rogiers and I am a recent graduate of Framingham State University. I have known from a young age that I wanted to work with children and have spent the past 5 years working with children of all different ages. I have teaching experience with ages infant to 5th grade. I am so excited for the opportunity to work with kindergarten! Their love and excitement for learning always makes me smile! I look forward to joining the WCCC team and getting to know you and the students!

EDUCATION

I recently graduated this past December 2020 from Framingham State University. There I earned a bachelor's degree in Elementary Education and Psychology. I am currently working towards completing my MTEs and gaining my full teaching license with hopes of having my own classroom one day!
