Dear Families,

We have a long month ahead of us; after several months that have long vacations there will be none the entire month of March. In order to break up the month, we will have a couple theme days! These theme days include spy days and pokemon day. WCCC will also be holding their 40th Annual FUN RUN and FUN FAIR on March 21st! This is a great event and I would encourage all Schofield families to try to make it!

Our Community Outreach this month was to make Valentine’s Day Card (shown in the bottom left-hand photo) for the local Newton-Wellesley Center for Alzheimer’s Care. We will be in touch with this facility again this month to see how we can best serve them as a community partner. Stay tuned in our next monthly newsletter to see what has been planned.

Finally, we have a field trip planned for the last Tuesday of the month, March 31st, which is a Wellesley Public Schools early dismissal day. We will be visiting the Discovery Museum in Acton from approximately 1:00 pm to 3:30 pm. We will share more information with Tuesday families as the date approaches – keep an eye on your inbox!

**Upcoming March Events**
