Happy Fall, y’all! We’re excited to have a more robust program this year, featuring a delightful mix of new and returning families! Thank you all for a great start to the year. Check out the following pages for some pictures of last month’s adventures!

Looking ahead: October is a busy month for WCCC, and for Fiske in particular! The annual 4th and 5th Grade Salem Field Trip is coming up on Wednesday, October 23rd. Also, everyone is invited to WCCC’s annual Haunted House and Carnival, hosted by Fiske, on the night before Halloween! The gym features carnival games galore, while the cafeteria is transformed into a haunted house that can be experienced with the lights on or off! Costumes are encouraged, and non-WCCC friends are welcome to join in the fun, too!
