Dear Families,

What an amazing start to the year! September was great and October will be even better. We have a lot of fun things planned this coming month as we settle into the school year.

We started a daily question board. This gets everybody sharing as well as learning more about one another. It has helped foster new friendships and shed light on unforeseen similarities among our students.

We’ve started clubs which run every Wednesday from approximately 2:00 to 3:15! The current clubs are Slime, Survival, and Cooking. In Slime club we have made fluffy slime, ocean slime, and pumpkin pie playdough. In survival they have learned about bear attacks, zombie attacks, how to put up a tent, and working on endurance. Cooking club has been busy making biscuit pizzas, chocolate popcorn snacks, and underwater Jell-O.

Environmental News

At Schofield we are taking measures to be more environmentally friendly.

- Using Water Bottles
- Reducing Palm Oil Snacks
- Recycling
- Reducing Plastic Usage

Community Outreach

Each month we are going to do a community outreach project.

During the month of September, we made birthday cards for a veteran turning 100 next month!

In October we will be making dog treats for a local shelter!

Upcoming October Events

- Oct 9th Yom Kippur Full Day @Bates
- Oct 14th Columbus Day (No School)
- Oct 23rd Annual 4th & 5th Grade Field Trip to Salem
- Oct 30th Annual Haunted House @Fiske

Thank you,

Haley, Kelly, Jordan, Jared, and Ali
