Its hard to believe its our last full month of school. We’ve been spending lots of time on the playground and playing games on the field and basketball court. We look forward to doing art activities outside as the weather improves. Please be sure that your child has appropriate layers as the weather is always changing. If you would like your child to wear sunblock please send it in their bag and we will remind them at dismissal to apply when they get outside.

We are planning for a talent show for our Family Night this year. The date and time are to be determined, we are looking at dates in June. Students have already started planning their performances. We will also have an art display and provide dinner. Participation in the talent show is encouraged, but not mandatory. We look forward to a few dance routines, musical performances, jokes and showcase the many other talents the children at WCCC Schofield have to share with us.
