Dear families,

January was a super fun month! We did a lot of arts and crafts, on Tuesdays and Fridays we took the kids that want to watch the High School Basketball team play at gym, and we played new board games. The kids also loved to play ping pong! They did tournaments and had lots of laughs.

On Wednesdays we had a popsicle stick club and we built boxes and even superheroes! This month we will have a beading club. We will not be making bracelets and necklaces in this club. It will be all about new ways to use beads! Check out the beading club on Wednesdays in the afternoon to see what we will be learning each week.

On February 13 at 1:30PM, we will be hosting CrossFit Firewall. The kids do not need any athletic background to participate. The class will consist of a warm-up, skill work, short workout, and then a fun game at the end. Please make sure that your child come dress in comfortable clothing and wear/bring sneakers.

We will also be hosting our February school vacation program at Bates from 8-6 Tuesday-Thursday. For more information and to you sign your child up for the program, please visit the WCCC website.

DATES TO REMEMBER:
