Dear Upham Families,

A very Happy New Year to you all! We hope that you and your family enjoyed the holidays and are looking forward to an exciting 2020 with us here at the Upham After School Program!

Thank You
A huge shoutout to all our families who participated in our Annual WCCC After School Program Pajama Party. Because of you it was a huge success. We ate pizza, played a gym game, dove into an art activity and watched two great movies. But most importantly, YOU donated. You gave gift cards that were given to families at the Dana-Farber Cancer Center and let us tell you...you certainly put a smile on many, many faces. Thank you again!

After School Clubs
It’s a new year and that means new clubs. We are currently working on switching to two new clubs. Our students have been very eager to give their input and we have a great range of club ideas. We are looking forward to the final vote this month.

Cold Weather
It is New England and we’ve already seen some crazy and unpredictable weather conditions. We are going to continue sledding, building forts and snowmen and even having football games in the snow! To be able to partake in these snowy activities, your child/ren must wear a jacket, hat, gloves, snow boots and snow pants.

As always, we appreciate your continued support and the Upham team is looking forward to another wonderful year working together. Please let us know if you have any questions.

Warm wishes,
Erin, Amanda and Steph
